If you look for Dave Kaiser in the "search" box at the top left of www.insurancejournal.com, you will see links to 1,000 website articles I wrote while with this company. I was managing editor of its magazine, *Insurance Journal*, and also wrote a large number of news and feature articles for two websites and the magazine. I was responsible for the southeast U.S., covering nine states and legislative meetings in state capitols, while at the same time editing a magazine every two weeks.
